

Celebrating Our Past and Planning Our Future

By Cyndi Hayward (she/her)

While researching photos for the slideshow presentation of our 65th Anniversary celebration we found some documents; we discovered important pieces of our story. For example, in 1966 our current building was dedicated. The years leading up to this involved raising money for the land and construction of the building. Once built, the Congregation also needed to furnish the building. The 1966 program has several pages dedicated to thanking those who contributed to the purchase of pews, altar linens, offering plates, candles, a piano, office furniture, hymnals, and the baptismal font. The list included a special thanks to the confirmation classes of 1963, 1964, and 1965 for their contributions. It's clear Prince of Peace has always been sustained by passionate and devoted members of our congregation.

When we look at the 20th, 40th, 50th, 60th and 65th Anniversary celebration services we can also see that our values have remained unchanged. The 1998 40th Anniversary program had a prayer that "the ministry of Prince of Peace will continue to grow in response to the changing needs of people in our community".

We have lived into that prayer in many ways throughout our history as demonstrated by the multiple community partners we have today, our ministries that serve those learning English and sign-language, are struggling with food insecurity, or seeking a welcoming place for spiritual growth. Our involvement in our community has been documented in many newspaper articles over the years reporting on the ways we have chosen to use our building and other resources for God's work. The articles include our decision to become a PADS site to provide shelter for the homeless, and our long-standing partnerships with Beth Tikvah and the Islamic Society of the Northwest Suburbs to host interfaith services and events showcasing these various faiths that all trace back to Abraham. One article told about the year the church staff pooled money usually spent on gifts for each other to buy winter coats for families impacted by AIDS. Others highlighted that our church was the starting point of a peaceful march down Higgins Road to build racial understanding.

We are celebrating our history this year, but the Congregation Council is also focused on our future. We are grateful to continue to have a Congregation passionate about serving and finding ways for us to Love God, Follow Jesus, and Invite All. We have formed a new committee to focus on Community Relationships and continue our outreach. We are continuing to educate ourselves about diversity, equity and inclusion issues. We also have a new Technology Committee to help us find the best path for incorporating technology into our ministries and support our office staff. We are finalizing our Annual Report and will be sharing more details about these and other important updates at the upcoming **Congregation Annual Meeting on Sunday June 11, 2023 at 11:15 am**. Please join us to learn more and see how you can support our plans. Look for more information in the coming weeks.

Pastor's Perspective

by Pastor Erin Clausen (she/her)

Prince of Peace has proudly been a Reconciling in Christ Congregation since 1997. This means that this congregation has adopted a statement of welcome and affirmation that specifically welcomes LGBTQIA+ individuals in our worship and community life, and that this congregation commits to a journey of anti-racism. In celebration of this commitment and understanding, we celebrate PRIDE month (each June). This celebration proclaims that the LGBTQIA+ community is wonderfully made in God's image and participation is invited here. You might wonder, though, *why* do we celebrate PRIDE month or *why* do we make a big deal of this in our congregation?

We make this statement as a witness to the truth and gospel of Christ, which reaches out to all people – but specifically cares for those who are marginalized or oppressed in society. Our Biblical understanding is that God has created each person exactly as we are, and God has called us 'good.' God created sexuality and our need for interdependence and called this 'good.' Anything that tears us away from healthy relationship to God, each other, creation, and ourselves is 'sin' or brokenness. God seeks to heal brokenness, as do we as followers of Jesus. So, when people are maliciously targeted in politics and communities and families and schools, we seek to be a safe place for healing and community, particularly for these hurting people.

We celebrate this understanding of the gospel LOUDLY, as in PRIDE month, because we believe our understanding provides a corrective to the wrong teaching that the LGBTQIA+ community is inherently sinful. We hope that other faith communities might hear this gospel of love and reconsider their teaching, so that all communities of faith might openly embrace and welcome all of God's children. In the meantime, we know that people have been hurt by the false teaching of these faith communities. Thus, we loudly proclaim that we are a safe and nurturing spiritual community for these of God's children to find healing. As one of many marginalized and targeted communities, the LGBTQIA+ community needs this safe spiritual space now more than ever.

We also make a point to celebrate PRIDE month – and lift up other specific groups of people in worship, education, and prayer – because our human nature naturally seeks out homeostasis (sameness) rather than diversity (difference). That means if we don't intentionally think about inviting or praying for people who are different from us, our natural tendency will be to think only about people who are like us – in whatever way our brains are used to thinking of those "like" us. Thus, we might *mean* to include people who are different from us. However, because of our biology, we won't think about people who are different from us - or the particular challenges they have that are different from ours - unless we make an effort to think about them.

We know that God's love reaches out to all people, and that love both reminds us of our sinfulness AND embraces us in mercy SO THAT we become freed to live differently. Thus, our biblical values and ethical and moral understandings call every person in our worshipping community to account. Each person becomes responsible to examine ourselves and our society in light of Jesus' love and care for the most vulnerable in society. This challenging work of being a follower of Jesus often leads to discomfort. When we embrace that discomfort and allow it to teach us, we become more fully the kind of Christian community into which Jesus calls us to be.

Celebrating PRIDE month helps us to live into our biblical values of providing a safe and nurturing place for God's children. For some, this may feel natural and exciting. For others, this may feel uncomfortable and confusing. For each, this celebration offers an invitation into a Christian community in which we know we are beloved and freed to be whom God has created us to be.

Anniversary Event—June 4th During Fellowship Time

The **Board of Serving Ministries** invites you to participate in our June anniversary event! We'll be celebrating this congregation's caring response to the needs of the residents in our community and the greater Chicago area. Most recently, welcoming new refugee families with furnishings for their apartments and food in their refrigerators and cupboards has brought out a higher level of generosity and commitment to "love our neighbors."

Take a walk around the hallways and you will find some special artwork. The Ministry of Hope Award from LSSI in 2005 recognized Prince of Peace for its exemplary ministries to the homeless, the hungry, English language learners, etc., in addition to children in LSSI's foster care program. The framed beaded cross was gifted to us by our missionaries, Dr. Steven, and Bethany Friberg, when they visited in 2018. It was handcrafted by the Maasai women in Tanzania.

Activities will include:

- playing a Serving Ministries version of the Scattergories game, for all ages;
- writing thank you notes to first responders, such as police officers, firefighters, and paramedics/EMTs—for all ages; note cards/paper will be provided;
- writing letters to Congress advocating for legislation that is important to you. We will provide stationery for writing letters to our Senators, Dick Durbin and Tammy Duckworth, and your Representative--either Raja Krishnamoorthi, or the Rep for the district you live in.

1) We will have information on issues regarding food insecurity. The ELCA and other faith-based organizations, including Bread for the World, are encouraging advocacy in support of increased funding for and expansion of hunger alleviation programs such as SNAP benefits, which will be included in the 2023 Farm Bill. If you choose, you can use your cell phone and scan a QR code that links you to the Bread for the World website, which will enable you to send an electronic letter directly to your Congresspersons on hunger issues. There may be other online options.

More information can be found at <https://blogs.elca.org/advocacy/gfc-farm-bill-advocacy> and www.bread.org/act/

2) We will have information on advocacy that is encouraged by the ELCA, Lutheran Immigration and Refugee Service, and Viator House of Hospitality—to rebuild and restore a humane and just asylum system; to prioritize refugee resettlement; to vote NO on legislation that would end asylum. There may be online options.

More information can be found at www.elca.org and www.lirs.org/advocate/

Our take-home remembrance of the event will be stickers and votive candles. Be the light!

Music Notes...

by Scott Uddenberg

"I love to tell the story of unseen things above, of Jesus and His Glory, of Jesus and His love, I love to tell the story because I know 'tis true. It satisfies my longings as nothing else can do."

- Arabella Catherine Hankey

I've always loved this hymn. It touched me at a very young age. Like many hymns, the music first reached my soul. Tunes with lovely melodies that filled me as I would sing them made me feel whole as nothing else would.

Over time, texts began to speak to me too. I've always felt called to church music ministry. Every place I've ever serviced began with someone reaching out to me and saying, we are looking for a person, you might fit well.

That to me is the Spirit speaking. I wanted to have music be my life's vocation, but the way that has come to be has not ended up as I had envisioned it. However, I can not imagine what life would be like without church music ministry and God in it. All of what I am and what I do here at Prince of Peace fills places in me that I can not fully describe or understand. I just know there would be an empty place without this work, God's presence.

This hymn text puts into words what is true for me. I love to lead congregational worship, to retell the stories of faith using music, sharing the promise of hope, goodness, and light. I love it because doing so fills me, gives me purpose, helps me to see the truth and the light, gives me hope. Thank you Prince of Peace for providing a place to full-fill me these past 20 years and for providing a place to raise my family in the faith. You have helped sustain me and given me a way to tell the story.

One of the ways I can serve is to help bring another generation of musicians to learn to share their talents at church. We are looking for a few good youth musicians! We are looking to have June 25th be the first morning to have a new generation share their musical gifts. If you have a growing musician in your house and you haven't shared their name and instrument with me yet, please do so ASAP. We will have another Youth music Sunday on July 23rd and another in August as well.

VBS runs this month the week of June 26th and it will be Stellar!! Watch for an out-of-this-world guest visiting worship in June!

Would you like to try choir? How about handbells? This summer may be the time to give it a try. Choir will sing on June 18th. Look for information on when a rehearsal will take place that you can jump in on!

A "Thank you" from our confirmation students!

In lieu of sharing my words this month, I would like to share with you the words of our 7th and 8th grade students who completed their Refugee Collection Project:

Dear Congregation,

Thank you for your generous donations and support during our Refugee Collection project. There were times that we needed items on short notice, and everything just appeared. It was almost like magic. When people work together, it can result in amazing things. We want to thank Exodus World Service for giving us the opportunity to welcome TWO refugee families to their new life in America. It was amazing that the first family's donation pack was completed so quickly. We needed to add a second family so more members of the congregation could offer their gifts. We want to thank Pastor Erin, Emily, Mary, and Mark for your assistance in every step of this process. We want to thank our tech crew for running PowerPoint slides and our video about the project. We want to acknowledge the help from Mr. Clausen and Anya, Lily, and Kyri for buying groceries and adding their voices in our video. Thank you, parents of the confirmation students, for driving us to church on Sundays and Wednesdays, and also to downtown Chicago to set up the first family's apartment. We want to thank the staff and facilities coordinators of Prince of Peace for offering supplies for our posters and allowing us to store donations in the Youth Room. And finally, thank you to all the students in our confirmation class who worked hard to help us achieve our goal of completing the Refugee Collection project.

*Peace and blessings,
The 7th and 8th grade Confirmation students*

And blessings from me as well!
Emily
Director of Youth Ministries

Stephen Ministry Let's Make History Together by Janet Ichida

He rained down manna for the people to eat, he gave them the grain of heaven.

Psalm 78:24

Guess what? Each and every one of you is invited to make history here at POP. What an opportunity awaits you! The Stephen Ministers are having their first, that's right, the **FIRST**, pancake breakfast to help celebrate our 65th anniversary. This is also the time to learn more about the Stephen Ministry program. You see, our Stephen Ministers are not paid grandiose amounts of money. Instead, delicious goodies are provided as part of our monthly meetings. We wanted to share this spectacular experience with you! This will be the perfect, yep, you heard it said here first, the **PERFECT** opportunity to pause and learn more about our program. Various Stephen Ministers will be available to answer all your questions about our thriving program. Did you know that eating is mentioned 623 times in the Bible? No wonder we Christians love to eat!

Prince of Peace invites its congregants to learn more about the workings of our church twice each year. June 11th is the date of the main Annual Congregational Meeting. Reports from the various boards will be presented. We also receive the latest financial reports. This year, breakfast will be served immediately prior to our meeting. We deeply believe that our Stephen Ministry program is not a unique entity that meets secretly each month, but instead is a vital ministry of our church. We want every member to know more about the Stephen Ministry program so you can do one of two things, or even both.

First, there are many hurting people in our community that could really benefit by using our program. There is no way that we know even half of them. Yet, how can you recommend our resource if you don't know the details? How can you decide if you want to try out this free and confidential service? You need info!

We are also starting to recruit members to become Stephen Ministers. There will be a class this fall when you can take a beautiful walk with Jesus while you join a special group of individuals who will quickly become family. The class is taught by the leaders, one of whom brags continually about her grandsons. (*You knew I was a grandma, didn't you?*) The weekly training takes 50 hours and is about active listening, confidentiality, and more. You even will get paid in treats if you will join us! There is brand new training material that we are anxious to share with you. Please prayerfully consider becoming a Stephen Minister.

When we first joined this church, Bob was surprised to see the amount of food served. It didn't seem like any meeting was allowed to proceed without delicious treats. COVID slowed the food down, but we are back to chowing away. The free will offering from this breakfast will be used to purchase necessary supplies for our fall class. **Make sure you plan to attend June 11th right after our 9:45 service. See you there!**

Prince of Peace Vacation Bible School registration is now open! Registration can be found at popstudentministries.net under the children's ministries tab. The 2023 VBS will take place **June 26th to 30th, 9am-12pm**. This year's theme, Stellar, Shine Jesus' Light is sure to be a blast. It will launch kids on a cosmic quest where they'll have a blast shining Jesus' light to the world. Stellar rockets kids on an out-of-this-world adventure that's light years of faith-building fun. VBS is a fun faith filled program for children age 3 years old by September 1, 2022 through those enrolled in 4th grade right now. If you're interested in being one of the singers to lead the opening sessions, contact Karen Wagner at wagner@princeofpeace.net. Singer practices will be held on June 13, 15, 20 and 22nd at 1pm at church. Older youth and adult volunteers are also needed to help make the program a success. If you are not available to help the week of VBS or not interested in volunteering, there are many ways to help support POP's 2023 VBS. Come see our donation board display in the fellowship hall or visit our online donation sign up at <https://tinyurl.com/StellarDonations>. Feel free to contact Julia Schuetze at vbs@PrinceOfPeace.net with any questions. We hope to see you there!

Early Childhood Programs at Prince of Peace

By Michelle Heberling

It is hard to believe that my first school year as preschool director has come to a close. Wow – that really flew by, but this year has been truly wonderful. It has been such an honor to be the director with all the amazing families and staff. I am so looking forward to the warm months of summer and some extra time with my family. Summer is a time of year that gives the preschool teachers some down time to re-energize, but also the time to prepare for the next school year.

In May at the preschool, the children had some fun experiences including celebrating our moms, beach day, countdown to summer, dress up days, and our end of the year celebration for all of our students and their families.

On behalf of the entire Preschool staff, we want you to know how truly blessed we are to have the support of the Prince of Peace Church community. Wishing you all a wonderful summer filled with blessings and lots of sunshine!

Registration for 2023-2024

We will continue to accept fall registrations during the summer months. If you know of families looking for a quality Christian preschool, please let them know about the programs here at Prince of Peace Preschool. We have many different options for 2 ½ - 5-year-olds. Come by for a visit or call to learn more about our outstanding early childhood program at Prince of Peace! (847) 885-7036. You can also check out our website for registration information – princeofpeacepreschool.net.

Visitor Training

*And you are to love those who are foreigners, for you yourselves were foreigners in Egypt.
Deuteronomy 10:19*

Imagine, you are vulnerable. You have had to flee for your life, for your safety. You have had to leave all that you know behind. Your job, your education, your community, maybe even your loved ones. All is gone. You have nothing familiar surrounding you.

Some of you participated in the “Fleeing For Your Life” simulation on May 6th, so you might have some idea of what that is like. In that simulation you imagined what it would be like to be in their situation.

There are 1440 minutes in every day and in every one of those minutes, over 20 people around the world are forced to leave everything that is familiar, to flee their homes, never to return. And after shifting from country to country, camp to camp, some of the fortunate refugees are able to finally end up here in the Chicagoland area. But, while these are the fortunate ones, they still have significant stumbling blocks to encounter. Firstly, they don’t know anyone. They don’t know anything about the culture. And, more than likely, they do not know the English language.

And now they are here. Against all the obstacles in their way, they need to start a new life. They need to learn a new language, a new culture, new customs and most of all, skills to find a job. Pretty hefty odds against someone who probably doesn’t even know how to catch public transportation. They need friends to help them learn so many things.

On June 10th we will be hosting a cross cultural training session for our own congregation as well as other congregations in the area from 9:00-11:30 to learn **how you can participate** and what all is involved. There will be a registration on the Exodus World Service web page. <https://exodusworldservice.org>. It will be listed under events. Jody May from Exodus World Service will be facilitating the training. There are locations in Metro-Chicago as well as DuPage county for visiting our new neighbors.

A man asked Jesus what the most important commands were. Jesus answered, we are to love God and love our neighbor. When the man asked who is my neighbor, Jesus responded with a story of cross cultural compassion.

Although they come from far off countries, refugees are our neighbors.

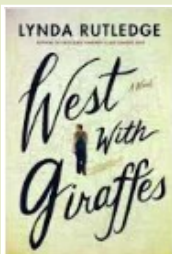

Please contact Mary Simonis with questions.

Do not forget to show hospitality to strangers, for by so doing some people have shown hospitality to angels without knowing it.

Hebrews 13:2

Photos by Jim Lau

Prince of Peace Book Club

June 30, 10 AM

The POP Book Club will meet June 30th at 10 AM in Room 213. We're reading "*West With Giraffes*" by Linda Rutledge. It's an emotional, rousing novel inspired by the incredible true story of two giraffes who made headlines and won the hearts of Depression-era America.

It's 1938. The Great Depression lingers. Hitler is threatening Europe, and world-weary Americans long for wonder. They find it in two giraffes who miraculously survive a hurricane while crossing the Atlantic. What follows is a twelve-day road trip in a custom truck to deliver Southern California's first giraffes to the San Diego Zoo. Behind the wheel is the young Dust Bowl rowdy Woodrow. Inspired by true events, the tale weaves real-life figures with fictional ones, including the world's first female zoo director, a crusty old man with a past, a young female photographer with a secret, and assorted reprobates as spotty as the giraffes.

Sounds like a good read and I'm curious what happens. Hope to see you at the meeting, June 30. Direct any questions to Kathy Tweeten 847-971-0192 or kat8@aol.com.

Legacy Giving

Evangelical Lutheran Church in America
God's work. Our hands.

Hello Prince of Peace from the Board of Stewardship. You may recall worship on April 18th of 2021 the temple talk given by Tim Urness. Tim Urness is the Regional Gift Planner for the ELCA Foundation for Illinois. Tim is an integral team member of the ELCA Foundation. He is responsible for identifying, cultivating, soliciting, and securing new, ongoing, and planned gifts from individuals in support of synods, congregations, and the ELCA.

Timothy Paul Urness

Please join us on June 25th, 2023, for another presentation from Tim Urness on gift planning in the Room 213 at 11:15 AM.

What can a Regional Gift Planner do for you? Assist Lutherans in reaching their charitable goals and cultivate planned gifts as part of an estate plan.

In addition to a bequest in your will or estate plan, there are many ways to create a lasting legacy. If you have a Donor Advised Fund, you or your heirs can direct a gift to a charity once per year. Gifts to a Donor Advised Fund are tax deductible* according to IRS regulations and the money grows tax free. If you don't have a Donor Advised Fund already, Tim Urness with the ELCA Foundation can help you start one. Donor Advised Funds are a great way to involve family members in charitable giving decisions and stewardship. If you have felt good about supporting Prince of Peace during your lifetime, consider how you can make Prince of Peace a part of your legacy by talking with Tim.

You can contact Tim Urness at 331-444-3120 or tim.urness@elca.org.

*Tax benefits depend on individual circumstances. Consult with your tax advisor or accountant for specific benefits.

Schaumburg Township Food Pantry Items Needed

by Sue Patt

I took all the food donations to the pantry recently and am happy to say that they filled the back of my SUV. Thank you, thank you for the generosity. I keep hoping that each month the need for the food, all donations by the way, will stay level or decrease, but the numbers continue to increase. Again, I thank you and encourage you to share as you are able with your generous donations.

Second Saturday Datz Night

June 10 @ 6:30pm

Hide Away Brew Garden

We will be celebrating several of our favorite things this month! Being outside, live music, and an 80's themed luau!! Join us at the **Hide Away Brew Garden** for a beautiful night under the stars! Bring your chairs or a blanket and we will gather in the picnic area for an evening of music, food and 80's nostalgia. They no longer permit coolers or outside food. Food and drink are available for purchase there.

Please RSVP to Jim and Jill Wilkins via email jwilkinsx2@gmail.com or text Jill at 847-754-7657.

PADS Update June 2023

Journeys has informed the PADS faith partners that Government and Cook County funding has ended for the hotel program as of May 1st. Around 100 homeless guests that have been housed in area hotels for the last 3 years are now out on their own seeking shelter. Since there are more guests than shelter beds available, a lottery system will be implemented. Journeys has opened their new building so they will be able to accommodate overnight guests soon and there will be a handful of churches continuing as summer PADS sites. Many thanks go out to all the Prince of Peace volunteers that have provided food for the homeless in area hotels since spring of 2020. Journeys will have a ribbon cutting ceremony for the new building open to the public on May 20th. It is a free event but interested people need to RSVP on the website at www.journeystheroadhome.org.

Adult Learning Opportunities

(Meeting locations may change)

Passages will meet on the 1st & 3rd Thursday evenings in June at 6:30 p.m. Contact Karen Wagner at wagner@princeofpeace.net for questions.

Touchstone will meet again in the fall. Text Cherie Bachman 623-776-5969 for more information.

Men's Bible Study Group meets on Mondays at 7:00 p.m. in Room 213 and virtually via Zoom. For the Zoom link contact Tom Pfeifer at jets820@comcast.net.

Rebekah Circle - meets through Zoom, the 3rd Wednesday of the month at 1:30PM. Please contact [Elaine Scholtes](#) or [Pam Johnson](#) for meeting information.

Please contact the church office at 847/885-7010 for more information.
